Declaration of EU RoHS Compliance

We, STILMA S.p.A., hereby declare that our products are in full compliance with EU Directive 2025/2364 of 08/09/25, 2015/863/EU, 2011/65/EU, 2002/95/EC, 2005/717/EC – Restriction of Hazardous Substances Directive (RoHS) – with respect to the substances indicated in the annex since 1 January 2005.

Following the entry into force of the relevant European Directives, we confirm that the semi-finished products supplied by STILMA S.p.A. comply with these Directives and do not contain heavy metals exceeding the limits set out in the relevant annex.

The inspection documents we issue accompanying the material accurately report all the information contained therein, with reference to the product standards and certificates we receive from suppliers.

We remain available for any clarification.
